MINIMUM ORDERS AND REORDERS: \$1250. Minimum quantities apply to a single product size or design unless otherwise specified in the product catalog. PAYMENT TERMS: All orders must be prepaid by credit card. We accept Visa and MasterCard (no American Express or Paypal). The transaction is made when the order is placed. Sorry, no C.O.D. orders accepted.

FREIGHT CHARGES: We ship ground freight PRE-PAID from our San Antonio, Texas warehouse. Standard shipping rate 20% (orders \$1250 to \$2999); 15% \$3000+ ****. Additional charges will apply for delivery appointments and lift gate use. Rural or remote destinations and limited access destinations (as determined by freight carrier), destinations requiring ferry or causeway access, islands or the Florida Keys will incur additional delivery charges. These charges are applied by the freight company and are beyond our control. The cost of additional services such as lift gate service, appointments, re-deliveries and detention charges that may be applied if load is not removed from delivery truck within 15 minutes of arrival at destination are the purchaser's responsibility. Additional requested services or special circumstances at destination, (including detention charges for offloading by receiver at destination that takes more than 15 minutes) applied by the freight carrier either before or after delivery will be billed to customer and are due upon invoice. Delivery times and notices are the sole responsibility of the freight carrier. **NO RESIDENTIAL DELIVERIES ACCEPTED.**

LIFT GATE DELIVERIES: To protect orders during shipping, Big Grass packs most orders strapped and stretch wrapped on wooden pallets. We do not ship wholesale orders with UPS, DHL or FED-Ex package delivery due to abusive handling of small packages. Customers without forklifts must specify "Lift Gate Required" upon ordering. Lift gate fees will apply. If lift gate service is not requested and pre-paid by the customer but the carrier's lift gate equipment is used at delivery, the associated freight carrier charges will be billed to the customer. Delivery times and notices are the sole responsibility of the freight carrier.

ADVANCE/HELD ORDERS: To guarantee availability of your product, Big Grass accommodates advance/held orders for out-of-stock products for orders pre-paid in full.

BACKORDERS: Big Grass does not schedule or process backorders unless requested and/or approved by the customer.

FREIGHT CLAIMS: Our merchandise is packed with the utmost care. Please use caution when unpacking your order. Big Grass is not responsible for damages occurring during uncrating and unpacking products. **Retain all cartons and packing materials and contact Big Grass promptly in the event of any damages.** Big Grass makes a good faith effort to resolve damage claims. For damages not exceeding 20% of the value of the full order, Big Grass, at its discretion, may credit the buyer's credit card or apply the credit to future orders. No damage claims will be processed without clear photos of each damaged product.

Big Grass is not responsible for lost, delayed or damaged shipments. All damaged merchandise or discrepancy conditions must be reported to us within 5 days receipt of the merchandise to meet the timely claims requirements of the freight companies. **AT TIME OF DELIVERY, THE RECEIVER MUST NOTE ON THE FREIGHT BILL ANY VISIBLE DAMAGES TO CRATES OR PACKAGING BEFORE ACCEPTING THE MERCHANDISE, AND WITH AN ACKNOWLEDGEMENT NOTE AND SIGNATURE FROM THE DRIVER. Include photos of any obvious packaging damage before opening and unpacking, as well as photos of each damaged product. These photos are required for claims against the carrier and/or for account credits or refunds.** In an effort to resolve claims quickly, we can accept texted photos of each individual damaged item. Please inquire as necessary. Freight surcharges for damaged items are not refundable.

INTERNATIONAL SHIPMENTS: Big Grass sells to wholesale customers in Canada, the Caribbean islands and Mexico. International customers must provide us with their customs broker's contact information and their U.S. addressed freight forwarding warehouse. A \$50 document preparation fee will be applied to all international orders. Special customs forms or requested box labeling may incur additional charges. All additional fees, including tariffs, insurance, forwarder charges, etc. are the responsibility of the customer.

RETURNS: Advance authorization from Big Grass is required on any goods returned. Credit will not be given on unauthorized returns. A 20% restocking fee applies to returned merchandise deemed resalable. Freight charges are not refundable.

PRODUCT CHARACTERISTICS: Colors shown in our catalogs may vary slightly from the items shipped. All handcrafted items and ceramic pieces have some degree of variance in color, size, texture and finish. These variations add to the character of the designs and to the individuality of each piece. Small surface cracks and firing-related color variations in terracotta products are a normal occurrence during the drying and firing process of natural clay materials and are not considered a defect. Wooden baskets and natural planter products may have small curing cracks and some variation in grain pattern, color, size and/or texture.

PACKAGING LABELING REQUIREMENTS: Special labeling requirements or package contents labeling requested by the customer will incur an additional fee. Requests must be made at the time of ordering.

PRICING: All prices are subject to change for reasons beyond our control.
